O R D E R:

The State of Andhra Pradesh is emerging as a fast growing economic State. Economic growth of the State is 9.07% as against 8.49% at National level and 11% growth rate in industries sector as against 9% at National level during the years 2004-09. In order to bring out and attracting investments to the State, the views of the Industrial Associations i.e., CII, FICCI, FAPSIA, FAPCCI, ALEAP, COWE, AP Spinning Mills Association, ASSOCHAM, etc are required.

2. In this regard, a meeting was conducted on 29.4.2010 with the Senior Government officials and the CEOs of the Corporate Sector. During the length of discussions, it was resolved that there is a need to build an Andhra Pradesh brand name for the promotion of investments in the State. A detailed study on the potential sectors and strategy is to be developed for promotion of industries in the State. It was also expressed by the members that a sector specific policies have to be prepared like policy for gas allocation, promotion of gas based industries, policy for solar power, wine policy, merchant power policy, textile policy, infrastructure policy etc. More efforts have to be made for creation of infrastructure than offering fiscal or non-fiscal incentives to investors. Single window clearances have to be made more effective bringing some more clearances. It was also suggested to have an academic linkages to the industry there is need to produce the skilled persons according to the industrial need from time to time. It was also resolved to constitute a Chief Minister's Advisory Council for promotion of industrial investments and a separate sub-committees for each sector headed one sector expert with his own team to come with strategy paper for promotion of such sector.
